Billing rules

One way minimum billing starts at 130 km. Round trip billing uses a 250 km minimum per calendar day from 12:00 AM to 11:59 PM. Final billable kilometres depend on the exact pickup, destination, trip type and route distance.

Charges confirmed separately

Toll, parking, interstate permit, state tax, checkpost, driver stay and hill charges are extra where applicable. Airport entry, parking or waiting charges are based on the assigned lane and timing. The team shares applicable items before final confirmation.

Cancellation, accessibility and payment

Ask for the cancellation window, possible driver-dispatch or reserved-vehicle deduction, advance amount, balance method and refund handling in WhatsApp before payment. Child seats, booster seats and wheelchair-accessible vehicles are not standard and must be requested and confirmed in advance.
